February 14–20, 2021

SCRIPTURE & DISCUSSION

1. Have you ever known someone who was healed after they were prayed for?
2. **Read Mark 1:32–38.** What sticks out to you about this passage?
3. **Read Mark 6:4–6 and Matt. 17:20.** What role does faith play in the arena of praying for healing?
4. **Read 1 Tim. 5:23.** Why do you think Paul didn't tell him to pray for healing?
5. **Read Rom. 8:22–23.** According to these verses, what should we expect now and in the future?
6. Talk about: *Ask for the now and Praise Him in the not yet.* How is this helpful?

PRAY WITH US

- Please ask God to intervene in our work with the City of Hamilton so that our final Site Plan Approval can be completed.
- We are so excited about Alpha Online! Ask God to bring to mind anyone in your circle who is on the way to God and then invite them to participate. Please also prayerfully consider if you are being called to help lead Alpha Online. Praise God that he is already preparing hearts and minds to receive what he has for them through Alpha.
- Praise for those who have signed up to participate in our Adopt a Student program. Ask that the Holy Spirit will be helping to build connections between students and supporters that will have a long-term impact and that students will experience the Church as a body of believers who care for them.

PRACTICAL CHALLENGE
