

LOVE REFRESHED

May 16–22, 2021

SCRIPTURE & DISCUSSION

1. **Read John 13:35.**
Talk about why God wants us to love one another.
2. Why is loving one another sometimes difficult in Christian community?
3. In what ways should we be able to love each other better than people who don't know God?
4. **Read Rom 12:10,16 and Gal 5:13.**
These are just three of the "one another" verses. How does God raise the standard above just having friends?
5. How have you experienced God's love through his people in our community?

PRAY WITH US

Ask God to bring an end to the COVID-19 pandemic in Canada and around the world.

Praise God that our structural permit has been approved and that the work of putting up our building has already begun! We are so grateful to be able to take this significant step forward.

Pray for favour with the Traffic Specialist assigned to look at our permit application and that s/he will provide us with an inexpensive solution to the right-/left-hand turning lane requirements.

Pray for Karra and for our teens as Karra transitions out of her current role as youth director. Please ask God to bring the right person to step into this role and to provide wisdom, discernment and unity to those who will be interviewing candidates.

PRACTICAL CHALLENGE

Ask God what he would have you do to love your family of faith this week... And then do it!
