

Prayer Quest: LOOK AND FIND

June 13–June 19, 2021

SCRIPTURE & DISCUSSION

1. In light of Psalm 139, how does it make you feel knowing that God knows all your days and every thought before there was even one of them?
2. Where in your life with Christ have you been guilty of trying hard in your own strength over trusting Christ?
3. What does it mean to you to trust Christ over trying hard?
4. In what ways can I practically yield to the Spirit in my life? What does that look like for you?

PRAY WITH US

Please pray for our friends and partners in the DR. Although the Cotui school has had in-person learning for months, other schools are just now re-opening for in-person learning. Please pray for good organization, and for kids to be able to start to catch back up!

Pray for our Kids' Summer Camp—pray that kids will come to know Jesus, that they will learn to pray, that they will bring what they learn home to their families and that we have a week of good weather!

Praise God for a partnership opportunity with Prison Fellowship of Canada who will be sending children of inmates to our summer camp programming.

Pray for our Jr High and Sr High students, for Karra, and for Kyle Tabet as Karra wraps up her season as COTR's youth director (June 20) and as we look forward to welcoming Kyle to the team in August. Pray that we don't lose a single teen through this transition.

PRACTICAL CHALLENGE

Take time to slow down this week and yield to the Holy Spirit, letting go of the things he's asking you to let go of and allowing him to go ahead of you.
